Room Honor Initiative Launched

Through the generous contributions of our members, The Center Club is proud to announce the Room Honor Initiative which recognizes prominent individuals who influenced our City. When you walk around the 15th floor, you’ll notice a number of rooms now named in honor of these individuals. We graciously thank the following individuals and companies who provided support to dedicate these rooms in honor of these exceptional influencers. Here is a glance at some of their accomplishments. We encourage you to visit each room when you’re next in the Club.

FROM THE GENERAL MANAGER

There’s something about September mornings that takes me back to Loch Raven Boulevard. It’s like time travel: I feel like the same kid getting ready for the first day of school, just as the Orioles and Colts were both in season for a glorious few weeks just down the road on 33rd Street. We were all dressed up for a fresh new start at Saint Matthew’s School, but our hearts were at Memorial Stadium. Poor Sister Margaret Mary never stood a chance.

It’s happening all over again, but even better, with a stadium for each of our city’s grand teams. The “first day of school” feeling still conveys a surge of energy that can power us (and the teams we love) through the days and weeks ahead. And that spirit is definitely in the air here at The Center Club, where most of us can get the clearest views of where we’ve come from, appreciate what’s around us, and look forward to what’s ahead.

So pull out your calendar, invite some friends, and come on up to the Club. These are just a few of the things that many of us might rather have been doing back on that first day of school!

- Real Estate Connections 9/7
- Ravens Opening Tailgate Party 9/11
- Craft Beer Tasting 9/21
- Farm-To-Table Dinner 9/23
- Annual Crab Feast 10/1
- City Genius Speaker Series 10/5
- Maryland Fleet Week 10/10-17
- Rhone Wine Tasting 10/14

Make a plan to start at the Orioles Pub on the 16th floor before any home game. We’re standing ready to do all we can to keep the spirit going.

Kevin Bonner
General Manager

P.S. This year it’s an especially exciting time because we’re embarking on a new plan for the future of the Club. We will need your help with this process to guide our great Club on this journey. Please see a letter from our President on page 5.

A Strategic Plan

Dear Members:

In an effort to improve the Club for today’s members and prepare for the next generation, the Board of Governors has authorized the formation of a Strategic Planning Committee to study important issues that affect our Club operations.

The strategic planning process will be a comprehensive analysis of the Club’s mission, vision, and long term goals. The goal is to provide a strategic plan for the Club’s long term approach to club facilities, finance, governance, management, membership, communications, etc. with associated action plans to measure our progress.

To facilitate this process, the Club has engaged Chambers (www.chambersusa.com), a nationally recognized planning, architecture, and design firm headquartered in Baltimore with extensive experience performing similar exercises with hundreds of private clubs around the globe.

We expect to develop the strategic plan throughout the fall and winter. During the next several months, there will be a number of opportunities for members to provide input through surveys, focus groups, and other opportunities. Your feedback will be an important element of the planning process.

We have a very special Club. With a plan for the future, we can be assured that as we move forward, we will be respectful of the Club’s traditions while embracing the needs of our current Members and preparing the Club for generations to come.

Best regards,

David H. Nevins
Board President
